

If You See It, Flee It; If You Hear It, Clear It

Remember:

- Track approaching storms the best way possible: Internet radio websites, dedicated storm warning system at fields, or other storm warnings.
- Evacuate fields when storms are about 10 miles away.
- Clear fields immediately after thunder has been heard or lightning seen!
- Board Member on duty will sound a single 5-second horn blast.
- All players and spectators go to cars with windows rolled up.

Please wait!

- Wait 20 minutes. DO NOT LEAVE.
- If play resumes, you will hear two 2-second horn blasts.
- If play is canceled, you will hear one 5-second horn blast.
- A game can be suspended only once within a one-hour time frame. If a second occurrence happens in that hour, the game is canceled and rescheduled (if not a “complete” game).
